

Margaret Ross
Behaviour consultant
Ross Communications Limited

2019 Training for those who work with other adults

Motivational Interviewing

How to facilitate positive change in adults

What is Motivational Interviewing?
How to promote positive change and maintain a positive relationship.
How to promote ownership of problems in others.
The questioning technique

What 2018 participants say...

"Margaret is a very effective speaker and structured the course in an interesting way. There was just enough information I didn't feel overwhelmed"

"So many great ideas and strategies. I am looking forward to putting it all into practice."

"I have become a motivational interviewing addict...it is simple and it works!!"

"Clear and well developed"

Bay of Plenty
