## Practical Classroom Management

This two day workshop will explore a range of strategies for supporting secondary teachers in helping students develop "learning classroom behaviour". It will look at why and how students avoid learning behaviour, as well as equipping teachers with pro-active strategies that stop unwanted behaviour before it happens.

**DAY ONE:** Why we behave the way we do | Schemas | Needs | Values and belief

**DAY TWO:** Checkers | Research tells us | Managing your own emotions | The hard class | Scenarios

### What 2018 participants say...

"It was communicated very effectively, humourous, enjoyable, relevant, informative and engaging."

"Excellent delivery. Effectiveness really achieved by using her real life experiences & expertly mixing humour. It was all just very 'real'."

"Fabulous, thank you Margaret! Funny insightful and practical, as promised."

*PCT 1 and 2 teachers*
