

Margaret Ross

Behaviour consultant
Ross Communications Limited

2018 Training for those who work with students

Motivational Interviewing

How to facilitate positive change in students

Day One What is Motivational Interviewing?

How to promote positive change and maintain a positive relationship.

How to promote ownership of problems in others.

The questioning technique.....case study.

Day Two Extending the technique to difficult students.

Case studies and extended practice.

What 2017 participants say...

"Margaret is a very effective speaker and structured the course in an interesting way. There was just enough information I didn't feel overwhelmed"

"So many great ideas and strategies. I am looking forward to putting it all into practice."

"I have become a motivational interviewing addict...it is simple and it works!!"

"Clear and well developed"

Palmerston North Horowhenua / Kapiti
