**Year 1 and 2 Teachers (PCT)**

## Practical Classroom Management

This two day workshop will explore a range of strategies for supporting secondary teachers in helping students develop “learning classroom behaviour”. It will look at why and how students avoid learning behaviour, as well as equipping teachers with pro-active strategies that stop unwanted behaviour before it happens.

**DAY ONE:** Why we behave the way we do | Schemas | Needs | Values and belief

**DAY TWO:** Checkers | Research tells us | Managing your own emotions | The hard class | Scenarios

### What 2023 participants say...

“5 star Fabulous. Concrete examples...which is the point of the course, thanks”

“Very effective session, humorous + engaging, with down to earth practical strategies to use in the classroom.”

“Margaret provided clear, entertaining, and helpful content which has strong relevance to all teachers. Takeaways from this course will be implemented”
