All teachers experienced or new

Practical Classroom Management

This one day workshop will explore a range of strategies for supporting teachers in helping students develop “learning classroom behaviour”.

It will look at why and how students avoid learning behaviour, as well as equipping teachers with pro-active strategies that stop unwanted behaviour before it happens.

An opportunity to learn and have some fun with other teachers

All teachers welcome - new - experienced – new from overseas - Teach First training teachers

What 2019 participants say...

“Very effective, informative, relatable and entertaining.”

“I really appreciated this course- it was exactly what I needed, and I look forward to applying some of these strategies in my classes.”

“It was communicated very effectively, humorous, enjoyable, relevant, informative and engaging.”

Napier and Hastings
