## Practical Classroom Management

This one day workshop will explore a range of strategies for supporting teachers in helping students develop “learning classroom behaviour”.

It will look at why and how students avoid learning behaviour, as well as equipping teachers with pro-active strategies that stop unwanted behaviour before it happens.

An opportunity to learn and have some fun with other teachers

### What 2023 participants say...

“Hilarious, relevant, useful, clear and structured well. A great flow of information with a good mix of videos, discussions, references and laughter.”

“This course is invaluable and translates the conceptual into the practical”

“It was communicated very effectively, relevant, humorous, enjoyable, informative and engaging”
